Illusion®42 Gas Fireplace With Driftwood Logs, Reflective Panels, Without Trim

Step into a world where reality blurs with illusion®, where the warmth and ambiance of a real fire come to life through the magic of gas. With Illusion®, we've mastered the art of recreating the mesmerizing dance of flames and the comforting embrace of a cozy hearth. Our gas fireplaces are more than just a source of warmth; they're a testament to the illusion of reality.

Illusion® is the epitome of what's possible. It's where the illusion of a real fire becomes your everyday reality. Experience the allure of illusion and let it transform your home into a sanctuary of togetherness, coziness, and unmatched style.

FEATURES

The Illusion® Gas Fireplaces achieve the perfect blend of engineering and aesthetics, creating a mesmerizing flame that radiates warmth and harmony. Customize your experience with a choice of Vancouver Island Drift Wood, Eastern Township Birch, or Midwest American Oak logs, and add a touch of elegance with affordable reflective panels. With decorative fronts options like Modern or Old World, the Illusion offers it all!

The Ambiance® Illusion® Series brings a tangible sense of wonder to your home, offering relaxation, warmth, and serenity. This has the fireplace your family needs – a luxurious fusion of practicality and sophistication. Available in three sizes, it's a solution for everyone's comfort, and the Ecotel programmable thermostatic remote ensures ease. Embrace the moment and elevate your quality of life with an Illusion® fireplace.

- Real fire without the hassle
- Different options of interior finishes, logs sets and decorative fronts for a personalized look
- Superb view of the fire.

A piece of Timber really adds value to a fireplace mantel. With fireplaces becoming more and more efficient, clearances to combustibles have increased. Too many times, having a piece of wood above the fireplace is simply not possible. This is why, Ambiance® Dealers have decided to get a solution in place. **These Ambiance® Mantels are non-combustible!**

WHY CHOOSE AN AMBIANCE® FIREPLACE OR GRILL?

Ambiance® transforms a house into a home!

Ambiance® products will add elegance, peace of mind and comfort to the Soul of your home. All Ambiance® products are carefully selected and designed with your home in mind, to enrich the areas of your home where memories and life take place. The best quality and innovation are shown in the enhanced detail and features that add a little «je ne sais quoi» in our Ambiance® designs.

Who are our designers? They are a network of over 300 Hearth & BBQ authorized members from coast to coast covering both Canada and USA. From Alaska to Québec and Florida to California, they know what it takes to warm up your life and use their real-world experience to design quality and innovative products for your home.

Who can sell the Ambiance® products? Only our select authorized dealers who are local professionals and who understand your local codes and standards.

A house needs a sense of Ambiance® to transform into a home.

*Ambiance®
the Soul of your home*
